

The next meeting of the Sarah Seidel Sisterhood will be held on May 13 at 8 pm at the Synagogue. Our Program and Membership committees along with the hostesses for this meeting will have a very special program for us this month. A membership tea in honor of new members will be held at this meeting. This promises to be a lovely evening. Let's all plan to attend.

Our hats are off to Donor Chairladies, Sylvia and Rhea Goldman. They did a superb job. There was a record attendance of 52 members and guests who enjoyed the delicious dinner, then were entertained by Dr. Stephen Abelow, a hypnotist, a friend of Jeffrey and Rhea Goldman. If Dr. Abelow could be available for some of our Ways and Means projects I am sure that under his "spell" we could really make a "stack of money." Many stayed to enjoy dancing to the Lou Giovi's Quintet.

Services for May will be on Friday the 17th at 8:15. This is Rabbi Blecher's last service with our congregation. We know you will make every effort to pay him the respect of your presence at his farewell service.

The next event on the Sisterhood agenda is the bake and food sale to be held on May 24th at 10 am. It will be held in front of the bank on the corner of Farnsworth and Walnut St. We would rather have your baked donations, but if it is impossible to make something, please try to donate at least \$2.00/ Please bring cakes to the bank that morning or contact Shirley Sender or Phyllis Kamer.

Report on Johnstone. Mina, Leah and Phyllis Kamer represented sisterhood at the annual awards to organizations and individuals who give of their time to help make the lives of the children of Johnstone fuller and more comfortable. Sarah Seidel Sisterhood received a certificate in recognition of their contributions for the year. How rewarding it was to see the children at Johnstone give a musical performance and what great satisfaction to those attended the show.
