SARAH SEIDEL SISTERHOOD

January, 1983

A Message from the Rabbi

The weekends for the rabbi's visits in February and March have been changed. Please note that the rabbi will be here on the weekends of February 11-12 and March 18-19.

The rabbi requests that when he is invited to your home for Friday night dinner or Saturday lunch that challah and wine be on the table so that kiddush and motzi may be said.

The next meeting of the Sarah Seidel Sisterhood will be on Monday, January 10, 1983, in the sanctuary, beginning promptly at 8:00 PM. The board meeting will also be held in the sanctuary prior to the regular meeting.

It is imperative that you be on time for this particular business meeting, if you so desire to attend, as our program for the evening will begin at 8:30 PM sharp. Thank you.

Our program for the evening will be a discussion and demonstration of the latest scientific and engineering developments at Bell Labs that will improve services to you, the customer. Ms. Maureen Sinnott, a N.J. Bell representative, will present "Science is not Magic".

Our hostesses for the evening will be Ida Reichlin, Norma Goldman, and Rose King.

IN CASE YOU DIDN'T KNOW...

Get you donor projects going! Our luncheon will be held at the Hilton in Hightstown late in April and time is awastin'. Our lucheon will consist of everything from lox and bagels to Eggs Benedict. Guests will be graciously welcome for a mere \$9.00 per person and pictures will be on display of our many wonderful gatherings to peruse and bring back joyful memories.

THANK YOU!! TODAH!!

We gratefully acknowledge a contribution made to the Temple Memorial Fund by Mr. and Mrs. Robert Gale in memory of Meyer and Rebecca Gale.

The Trackman family wishe to thank the members of our community who so warmly responded to Jay's mother, Mrs. Edith Trackman, by sending cards, flowers and good wishes during her recovery from a recent accident. We are happy to report that all is well and she is making a super recovery.

A STARTLING NEW JUDAIC CONCEPT

Each individual in our Jewish community has an obligation to attend services. Be you Orthdox, Reform, Conservative or even atheist. You MUST COME FOR THE SAKE OF THE OTHERS IN THE COMMUNITY.

This revolutionary concept is called team work. It means each individual must give up a little of his/her self so that those in need may benefit. This is not new! IT IS JUST LOST IN THIS GENERATION!

Every family has had need of the services we offer, or will in the near future. If you do not attend for others, will the others be there when you need them? DON'T TAKE YOUR SYNAGOGUE FOR GRANTED OR IT MAY CEASE TO EXIST!

This means each minyan captain making sure the calls are made for their assigned services. This also means not giving your captain a hard time when she calls.

LET US RESOLVE TO BE OF USE TO OUR JEWISH COMMUNITY! GIVE OF YOURSELF BY BEING THERE.

Jay Trackman

Friday night services are held every week beginning at 8:00 PM in the evening. Come and join us.

A happy and healthy new year to all.
